

**Office of the Phase-II Co-ordinator
Popular Medical College**

Memo no. PMC/Phase-II Coord/2026/ 09

Date: 28.01.2026

To provide emphasis on academic performance and development of attitude of the students, following teachers have been given the responsibility of guide, to look after the students of PM-14 and old curriculum students mentioned against their names.

The **Guide teachers** will take total care of the students including teaching- learning program and report to the Supervising teacher with comment every fortnightly with copy to the Head of the Department of **Forensic Medicine & Toxicology, Pharmacology & Therapeutics and Community Medicine** respectively.

The **Supervising teacher** will supervise the performance of the Guide teachers and the students in general, counsel the student who requires and report to the “**Chairman, Course Committee**”, with comment in consultation with Guide teachers every fortnightly with a copy to the Head of the Department of **Forensic Medicine & Toxicology, Pharmacology & Therapeutics, Community Medicine** and the **Principal, Popular Medical College** respectively.

The “**Chairman, Course Committee**” will sit with the concerned Heads of the Departments every month to analyze the performance of the Guide teacher and the students, and will take necessary measure(s), whatever is the best with intimation to the Principal for assistance, if required.
