Sub: Invitation for submission of protocols for research grant in PMC

Popular Medical College is pleased to announce a call for research proposals to be funded by the PMC. This initiative aims to support innovative and impactful research projects across various disciplines and this should be undertaken in PMC.

Purpose: The fund is intended to cover essential research expenses, including equipment, materials, fieldwork costs, and publication fees.

Application Process:

Interested individuals and teams are invited to submit a detailed research proposal that includes:

- A clear and concise project title.
- An abstract (max. 250 words) summarizing the project's objectives, methodology, and expected outcomes.
- A detailed project description, including the research question, literature review, and proposed methodology.
- A timeline for project completion.
- A detailed budget breakdown.
- CVs of all team members.
- Submission Deadline: Protocols should be submitted within 31st April.2026.

All proposals will be reviewed by the IERB Research Committee based on their academic merit, feasibility, and potential for impact.

We look forward for receiving your innovative proposals.

Submission of protocol:

Contact person: Prof Ismat Ara Begum, Professor, Dept of Biochemistry.

N.B: It is mandatory to include 2 students in each research projects protocol.
